

MARINA PONY BASEBALL SOFTBALL TOURNAMENT TEAM PLAYER/PARENT AGREEMENT

PLAYER NAME: _____

The Board of Directors of Marina PONY Baseball/Softball, Inc. would like to congratulate your child for being selected as a 2009 baseball/softball all-star. Managers have been approved by the All-Star committee. Players must meet PONY age and residency requirements to participate in MPBS.

Players will be responsible for purchasing their own uniforms and hats. The fee is \$ _____. A player may not practice with the all star team until all star fees have been paid and this agreement is signed.

The league will pay for one away (not hosted by MPBS) tournament entry fee for each all-star team in each division, and all official PONY tournaments to advance to the World Series.

Additionally Marina Pony Baseball Softball Hosts three (3) invitational tournaments, each Marina all-star Team will play in their respective division tournament at no cost to the all star team.

These invitational tournaments, and MPBS-hosted PONY sanctioned tournaments, represent a substantial component of our income and are valuable to every division and player in the league whether they are an all star player or not.

Each family is required to volunteer 5 hours per all star team player in their family to assist with the production of these tournaments.

Planned Tournament Schedule (please see www.marinapony.org for most up-to-date details)

Pinto Division – George Moana Pinto Invitational	June 6-7, 2009 Preston Park
Mustang Division - Don Garl Mustang Invitational	June 18-24, 2009 Los Arboles Sports Complex
Bronco Division – Art Clark Bronco Invitational	June 11-17, 2009 Los Arboles Sports Complex
PONY Coast Softball Regional Tournament	June 25-29, 2009 Preston Park

Being chosen to participate on an all-star team is an honor, privilege and a commitment. Players that agree to accept an all-star spot on a MPBS all star team may not miss Marina Pony all star team practices to attend another team’s practice without approval from the league director. **(Please indicate on this form any known conflicts.)** Also, for the pinto, mustang and bronco divisions an all star player must participate in at least the at-home Marina tournament for their division or the “away” tournament that MPBS pays for the team to play in. If an all star player fails to meet this guideline they are subject to being dropped from the all star team and being replaced with an alternate without opportunity for reinstatement.
